This is the biggest all-inclusive fly-in in the District! This will be an all-fun event with a lot of time for open flying and a great chance to meet other fliers from around the district as well as your District representatives. This is a great venue with a lot of space for RV's, dry camping, airplane trailers and sunshades. Event Fee: \$45, Camping \$20/day, Tent \$10/day and Visitor Parking \$5/day. Try our 400ft cloth runway. Great venue for gliders powered and unpowered. Kingery Field is FRIA Approved.

There will be a raffle at the end of the weekend. See Fly Baby Below and other great raffle prizes. So come out and enjoy a great weekend of flying!!! RV Parks, Motels and Restaurants all close by.
